1 FOOD SHOPPING

1.1 Best Value & Choice

LIDL, SUPERCOR AND MERCADONA

There are 3 big supermarkets: Lidl (at the moment in phase of refurbishing), Supercor and Mercadona (both at km. 132 Urb. Sotogrande, N-340) in the nearest Town Pueblo Nuevo de Guadiaro (just 10 minutes away).

All 3 supermarkets have a wide choice of food and are good value for money.

At the time of writing this document the LIDL refurbishment was not completed. If you are specifically after Lidl products you can find a LIDL branch in SABINILLAS (15 mins) or LA LINEA DE LA CONCEPTION (20 mins).

Please be aware that these supermarkets are open from 9.00 to 21.30 in summer and they can close earlier in winter. They are not open on Sundays and Bank Holidays.

In the centre of Pueblo Nuevo de Guadiaro there are smaller shops that sell vegetables or meat. In the centre of Town (Calle Sierra Bermeja, 48) you can find a small supermarket (Overseas Store – a joint venture between Iceland & Waitrose) with English products. We recommend this shop if you are missing squash, cider, ginger beer, British sausages, cheese or sauces. There is no premium for imported products therefore the prices are very competitive.

1.2 Convenience Stores in Torreguadiaro

SUPERMERCADO TORREGUADIARO - [Avenida Mar del Sur - Torreguadiaro](#)

At the entrance of village arriving there is a supermarket with a big car park in front of it. They sell a big variety of goods from Food to Cleaning Products, Toys, Stationery, Suitcases, Beach Accessories etc. and it is open 7 days a week, most bank holidays and late at night (approx. 21h in winter and 22h in summer)

They don't have a large variety of food but it is convenient for last minute purchases.

We recommend this shop for buying bread, wine, milk, pizza, snacks, croquetas and mini atun empanadillas. The service is very nice and friendly and the car spaces in front of it make easy to stop by.

SUPERMERCADO MI PUNTO - [Avenida Mar del Sur - Torreguadiaro](#)

On the other side of the road is another supermarket called Mi Punto. They sell a wider variety of food including vegetables and meat. The food selection is reasonable and the service is good. We don't use this shop often but we can recommend it.

MERCAEUROPA - [Avenida Mar del Sur - Torreguadiaro](#)

Next to the chemist and opposite the main Tapas bars is Mercaeuropa. They sell a average selection of drinks and snacks but the shop is mainly Chinese Bazar style. We haven't really used this store so we cannot really express an opinion.

CARNICERIA (BUTCHER SHOP) - [Avenida Mar del Sur - Torreguadiaro](#)

There is a small local butcher shop (Carniceria) in Torreguadiaro. We have never used it as we tend to buy the meat in the larger supermarkets in Pueblo Nuevo. We haven't heard very favourable comments about it.
